Hurry up! This honey is lovely. Multicultural London. He doesn't have much luck. Do you understand Russian? That rug is very comfortable. Her husband is not much fun. Some cousins are coming on Sunday. When Murry was young he sucked his thumb. Nothing is better than a Sunday lunch at the "Ugly Bug" inn. Let's go for a curry on Monday. The couple must not give up. The young mother found a glove on the bus. I had just enough money for the bus. His other brother doesn't understand my mother. Look at all the mud on the floor! Look at all the blood on the floor! My cousin's pet monkey is just so ugly.
